

### Sponsorship Opportunities

The donations and support from our business community is vital to ensure the health of the Cavalier Band and their march towards excellence. We owe much of the band's success to our sponsors. The corporate sponsorship program allows our business partners to support music education and gain exposure to a variety of audiences throughout the year. We hope to have many more businesses included in our local band community this year.

**Please Recommend a Business or Become a Cavalier Band Sponsor!**
