

Lake Travis Cavalier Band

Cavalier Band Members, Future Members, and Parents,

In this mailing you will find the schedule of summer activities for the Fall 2008 Cavalier Marching Band. If you are returning member you will see that we've "gone green" this year and your forms are on the website. For our new members, we are attempting to get this in your hands early enough to coordinate summer schedules and plans with your family.

We would like for all of our recent 8th grade band students to become members of the Lake Travis Cavalier Band and continue their music education at the next level. We realize, however, that this is a huge leap for some, requiring a new level of commitment and involvement. If you would like to discuss your involvement with the Cavalier Band or if you have questions, feel free to contact me at 512-533-6134 or email visek@ltidschools.org. As always you can access schedules, calendars, and information at our official website: www.laketravisband.com.

If you choose to be part of our outstanding musical ensemble you will experience the excitement of performing in front of thousands, traveling to new places, and building friendships that will last a lifetime. I very much look forward to working with each of you.
