

2007 LTHS Band Study Hall Rules

Band study hall hours are between 4:15 and 6:15 P.M. on Thursday, unless there is an identified school activity conflict. The study hall may be expanded to include Tuesday upon sufficient band student request and authorization by Mr. Vise. The LTHS band study hall is located in band rooms 1 and 2. **There will be no students allowed in the hallway.** After school hours, no student is authorized in the school building except for the band study hall, the rest rooms adjacent to the band hallway, and the center courtyard during study hall hours. The following rules are to be followed by all within the study hall:

A. Noise level:

1. Band Room 1 – Total silence. No talking, whispering (except with the tutor/monitor when requesting help), or laughing.
2. Band Room 2 – whispering allowed. Whispering is defined as a voice level that can't be heard beyond 10 ft.

B. Non-Mandatory Study Hall:

1. Students are free to enter or exit either band rooms as they deem necessary.
2. Students must maintain the proper noise level of the associated study hall or leave the building.

C. Mandatory Study Hall:

1. Parents may place their child into a mandatory study hall if they agree to enforce the study hall rules by e-mail request. If desired, parents may request their child stay in Band Room 1.
2. Student names will be on a mandatory check-in list.
3. Students will sign in with the study hall monitor by 4:30 P.M.
4. Students in Band Room 2 will have minimum supervision with exception of maintaining the proper noise level identified above.
5. There will be both mandatory and non-mandatory study hall students in Band Room 1. Mandatory study hall students must report to the monitor to check in and out of Band Room 1.
6. If Band Room 1 is not available (e.g. when uniforms are staged for a game or activity), the hallway adjacent to Band Room 1 will become the quiet study hall.
7. Mandatory study hall students may not leave the study hall during study hall hours without informing the monitor. Students may eat in the study hall.
8. Students will sign out with the study hall monitor no earlier than 6:05 P.M.
9. Parents will be informed of mandatory study hall attendance by e-mail.
